To Whom it May Concern

It is indeed a great pleasure to recommend Milt Abel to you for your corporate event. Milt entertained us at our Holiday Party on December 14. Milt delivered a comedy act that was creative and funny and was void of frequently used negative and/or derogatory language and innuendoes. Our entire Company enjoyed his act and offered the following comments:

- What a great act! He appealed to a wide-range audience.
- He's hilarious! What a great idea. Who thought of this anyway?
- Where did you find him? He's very funny!
- I liked his style. He was funny and clean, which is unusual in the comedy business.
- I could really relate to his conversation with his child, the one about Barney. I died laughing!

All-in-all, our party was a huge success and we would be remiss if we failed to recognize Milt as an active contributor. Milt can easily contribute to the success of your party with his ability to make people laugh.

I would not hesitate to recommend Milt for your next event and would not turn down an opportunity to speak with you personally. Feel free to contact me anytime if you would like to chat about Milt's ability.

Sincerely,

Charlene C. Jeffrey
HR Manager/Events Coordinator
